AsiaBerlin Summit 2023: Innovating now for a positive future.

June 12-13: Rotes Rathaus Berlin

June 14-15: Partners' Locations

Welcome to AsiaBerlin Summit, the annual conference dedicated to promoting closer cooperation between Asia and Berlin's thriving startup ecosystem. Our theme this year is "**Innovating now for a positive future.**", reflecting our commitment to fostering innovation and collaboration in the face of the challenges and opportunities of our time.

Every year, we aim to provide new insights from Asian countries and Europe's startup capital Berlin. This year's focus tracks are **Mobility & Logistics**, **Energy Transition & Green Tech**, and **Artificial Intelligence**. Be prepared for our Startup Pitch competition, where several aspiring Startups from Germany and Asia will have 3 minutes to pitch their ideas and receive feedback from renowned Jury Members. A promising program that brings together a diverse group of participants to explore the latest trends and ideas in business and technology is guaranteed.

AsiaBerlin Summit 2023 will take place on **June 12-13 at Rotes Rathaus Berlin** and on **June 14-15 at our Partners' Locations**. An amazing time of the year to network with more than 500 participants per day inside of one of the City's most iconic landmarks. It is located in the historic center of Berlin with a distinctive red-brick facade that has made it a popular tourist attraction over the years. While the Conference Days at Rotes Rathaus will be taking place for 2 days, we have another 2 days with several Satellite Events hosted by our partners like: BetaHaus, Startup Incubator Berlin, INAM and many more.

We have the privilege of featuring prominent speakers from Asia and Europe this year, including **Clas Neumann**, Senior VP - Head of Global SAP Labs Network; **Dr. Wolfgang Gründinger**, Chief Evangelist at Enpal; **Tina Klüwer**, Director at K.I.E.Z AI. We promise you an exciting event through the support of our Main Sponsors: Hong Kong Economic and Trade Office, Mitsubishi Electric, and Siemens.

AsiaBerlin Summit offers a perfect platform to exchange ideas and establish a dialogue between investors, startups, corporates, and policy makers. Our program contains exciting topics like Shaping the Twin Transition, Energy Revolution, AI case studies, Internationalizing Startups, AI and the Future of Learning and many more. We will have interaction booths that allow the exhibitors to showcase their organization's capability and to facilitate networking and exchange among all

stakeholders involved. Some of this year's exhibitors are: German Entrepreneurship, Falling Walls Foundations, IFA Berlin and our supportive embassies like Embassy of India, Embassy of the Socialist Republic of Vietnam, Royal Thai Embassy, and Embassy of Cambodia.

More info will be provided on the following days that can be found at asia.berlin/summit. Join us as we envision and create a brighter future for all by registering for free here: <https://asiaberlinsummit-2023.eventbrite.de/>
